

Safety Cards for Activity in Month Five

<p>You are on line in a chat room while playing a video game. One of the people playing the game wants to know where you live and get your phone #.</p> <p>What do you do?</p>	<p>One of your friends has a pack of cigarettes they took from their aunt. They get a lighter and want to try it out. They want you to try it too.</p> <p>What do you do?</p>	<p>Your parents had a big party last night. They are asleep. You go into the living room and find some unfinished bottles of wine. You always wondered what it feels like to drink.</p> <p>What do you do?</p>
<p>Your mom drives you to the mall to meet your friends. When you are in one of the stores with your friends, you see them put a head phone from the display into their pocket.</p> <p>What do you do?</p>	<p>Your friend's brother smokes dope. Your friend tells you he got one of the "joints" from his brother and wants to share it with you.</p> <p>What do you do?</p>	<p>You see a wallet on the ground as you are walking. You pick it up and see that there is some cash inside.</p> <p>What do you do?</p>
<p>Your friend sends you a naked picture on a text.</p> <p>What do you do?</p>	<p>Your friend asks you to send them a naked picture of yourself.</p> <p>What do you do?</p>	<p>You went out into the park alone to meet a friend. It turns out that they think you will be having some physical interaction with them. You are really uncomfortable with their expectation.</p> <p>What do you do?</p>
<p>Your parents don't let you date. You want to meet someone who is interested in you. You lie and tell your parents you are going to a friend's house but plan to meet this new love interest.</p> <p>What do you do?</p>	<p>You are over your friend's house with a group of friends and down in the playroom, they have a fridge with beer cans. Your friend opens a can and gives it to one of your other friends. Then they give you a can to open.</p> <p>What do you do?</p>	<p>Your grandmother is on pain pills. A friend of yours is over the house with you and sees the container of pills. They ask you to get them one.</p> <p>What do you do?</p>
